Chicken System

A dedicated system for delicious tasty chicken!

- ▶ chicken grid to hold 4 or 8 pieces
- ▶ fat filter and grease collection trolley
- ▶ a special grid to arrange (4 / 8) whole chickens or other poultry in a vertical position making the breast meat particularly juicy and tender, while ensuring crispy and browned skin
- ▶ a fat filter placed in the cooking chamber to protect the side walls from grease
- ▶ a grease collection kit with tray and trolley to be placed under the rack during movement

Delicious chicken has never been easier!
