Super Automatic Espresso Machines – TANGO

A trend toward specialty.

Technology TANGO®

The TANGO® ST-STP range takes full advantage of the patented TANGO® Dual Infusion Chamber and Electrolux Professional' expertise in espresso equipment manufacturing for unrivaled performance and extraction quality. Superior components and materials, large capacity boilers, precision grinders and detailed programming ensure a perfect result in the cup. **The DUO, the only model in the industry capable of making 4 drinks simultaneously,** and SOLO models, offer unmatched speed and respond to all requirements from coffee and hospitality sectors.

**DUO makes 4
drinks simultaneously**

The TANGO® ST Fridge combined Cappuccinatore* device on TANGO® ST DUO and SOLO models ease the preparation of milk based specialty coffee drinks.

To tailor a complete drinks menu with heated, cold or foamed milk for a silky and smooth texture, the new TANGO® ST Fridge, combined to TANGO® ST Duo and Solo, offers an ideal solution to store the milk at the perfect temperature thanks to its 4L removable container.

*Option on TANGO® ST SOLO 9L

The perfect
Cappuccino
time after time

Traditional Espresso Machines – AURA

Perfect harmony: design and technology for perfect results.

Robust flavour, flawless performance

Looking for high performance? Consistency in the extraction process and ultimately that heavenly cup? Aura Espresso Coffee Machines will give you all that and more. Bringing together intuitive programming with its new touchscreen interface and effortless operation thanks to the EASYLOCK system that helps lock and seal the portafilter. The optional patented DOSAMAT® technology recognises the size of the portafilter inserted (1 or 2 cups) and automatically doses the corresponding volume.

Express performance
Espresso pleasure

Chilled juice,
satisfied customers

	Description	Dimensions (w x d x h)
560029	4x3 ltrs. dispenser (you can have 4-flavor beverages or 3-flavor beverages and 1 water)	580x315x770 mm

A photograph of two glasses filled with a vibrant red, slushy frozen drink. Each glass is topped with a fresh green basil leaf and a green and white striped paper straw. The glasses are set on a dark, textured surface. In the background, a clear glass bottle is also filled with the same red liquid. Scattered around the glasses are several slices of watermelon and a few fresh raspberries, suggesting a refreshing summer theme.

Frozen moments.
When the only
thing you need
is to cool down

Frozen Granita, Frozen Cream & Soft Ice Cream

Flexibility and innovation, endless possibilities for frozen drinks and creams, satisfy your customers' taste all year round.

Design and technology

User-friendly, low
maintenance cooling system

Flexible use

Serving the right frozen
beverage every time

Frozen Granita Dispensers - IPRO

Perfect granita any time, anywhere.

Innovation, performance and design

From small bars to high volume businesses. The slush consistency is perfectly maintained thanks to the **I-TANK bowl** which has been designed to control and isolate the temperature from the summer heat. Sleek and colourful, this dispenser will attract customers to a refreshing break.

Slush your way to higher profits

Soft Ice Cream Dispenser High Capacity

Soft ice cream for everyone. High capacity soft ice cream dispensers built to keep up with your business, even on the busiest days.

Light and soft ice cream for unlimited menu potential

Serve your customers an extensive variety of desserts. Soft ice-cream, sorbets, ice cream based pastry and more with our high capacity Soft Ice Cream Dispensers.

Make your life easy with the intuitive touch control and the easily adjustable tank temperature and make your customers happy with the perfect ice cream consistency.

Ready to go? You only need less than 20 minutes from start to serve!

**It's always soft ice
cream season**

Soft Ice Cream Dispensers, up to 290 cones*/h – Capri

Countertop
High Capacity

Soft Serve Ice Cream and Frozen Yogurt are easier than ever.

Single-flavor, countertop unit to serve your customers' favorite soft serve treat

The Capri range of high volume soft serve equipment is the perfect solution to make offering soft serve fast, easy, and profitable. Choose between two feeding systems: **gravity** or **pump fed**.

Using the pump system allows you to achieve **high overrun**, the incorporation of more air into the frozen product, to create a lighter, softer texture that maximizes profitability. The efficient air-cooled system does not require a water connection making installation and operation simple and cost-effective!

Make soft serve the star of the show

	Description	Dimensions (w x d x h)
560062	12 ltrs. tank capacity + 1,95 ltrs. cylinder volume, 1 flavour, electronical control and touch screen panel, countertop, up to 240 cones/h, gravity	465x831x791 mm
560063	8 ltrs. tank capacity + 1,95 ltrs. cylinder volume, 1 flavour, electronical control and touch screen panel, countertop, up to 290 cones/h, pump	465x831x791 mm

Soft Ice Cream Dispensers, up to 600 cones*/h – Portofino

Countertop
High Capacity

Soft Serve that keeps your customers coming back for more.

Two-flavor, countertop unit to spark your creativity

The Portofino range of high volume soft serve equipment allows you to serve two flavors and even twist the flavors together for a third creative option. The operator-friendly **digital touchscreen controls** make it easy to set and monitor the equipment. Choose between two feeding systems: **gravity** or **pump** fed.

Using the pump system allows you to achieve **high overrun**, the incorporation of more air into the frozen product, to create a lighter, softer texture that maximizes profitability. The efficient air-cooled system does not require a water connection making installation and operation simple and cost-effective.

Creamy and cool
with a twist
