

Solutions for Every Need

Product No	WD6-11T	WD6-18T	WD-26T
Wash/Dry Capacity	Washing: 15kg / Drying: 11kg	Washing: 27kg / Drying: 18kg	Washing: 35kg / Drying: 26kg
Drum Volume	150L	269L	349L
Drum Dimensions	630mm diameter x 480mm length	760mm diameter x 595mm length	840mm diameter x 630mm length
Max Spin Speed	850rpm	770rpm	730rpm
G-Factor	250	240	250
Cycle Duration	60 minutes (Full Load) / 45 minutes (Half Load)		
Water Usage	118L	181L	242L
Drying Heat Source	Gas burner heating		
Power (Wash)	Washing 1100W	Washing 1400W	Washing 2200W
Electrical Supply	220-240V/single phase; 50/60Hz	220-240V/single phase; 50/60Hz	220-415V / 3-phase; 50/60Hz
Fuse Rating	15A	20A	30A
Dimensions (WxDxH)	880 (W) x 1336(D) x 1725 (H) mm	940 (W) x 1436(D) x 1830 (H) mm	1070 (W) x 1550(D) x 1860 (H) mm
Machine Weight	550kg	820kg	1110kg
Airflow Rate	9 m ³ /min	16 m ³ /min	17 m ³ /min
Water Pressure (min)	0.2MPa		
Pipe Size	Water supply: 20A (27.2mm outer dia.) Hot Water supply: 20A (option) Gas supply: 15A (21.7mm outer dia.) Drainage: 75A (89mm outer dia.)		
Unbalance Detection	●	●	●
Automatic Drying Inversion	●	●	●
Cool Down Feature	●	●	●
Inverter Motor	●	●	●
Programs	Washing & drying, drying program, washing program		
Liquid Detergent Dosing Signal	●	●	●
Stainless Steel Drum	●	●	●
Drum Wash Function	●	●	●
Auto Lock	●	●	●
Overheat Protection	●	●	●
Coin Acceptor	●	●	●
Antiviral Handles	●	●	●
Anti-Wrinkle	●	●	●
Mold Protection	●	●	●
Touchscreen	7.1 inch (Colour)		
Body Colour	Stainless Steel		
Exhaust Size (Diameter)	200mm		

*1 Standard load. Varies depending on size of the load and fabric

NEW

Maximum Space, Time & Cleanliness

2-in-1 Washer & Dryer with 1-hour Cycle

Meeting Needs Beyond Tomorrow

Self-Service Laundries

Excellence is at the heart of everything we do. We anticipate our customers' needs and strive for excellence through our people, innovations, solutions, and services. Our goal is to be the One who makes our customers' work-life easier, more profitable, and truly sustainable - every single day.

NEW

Combo WASHER & DRYER

Integrate washing and drying program in one machine!

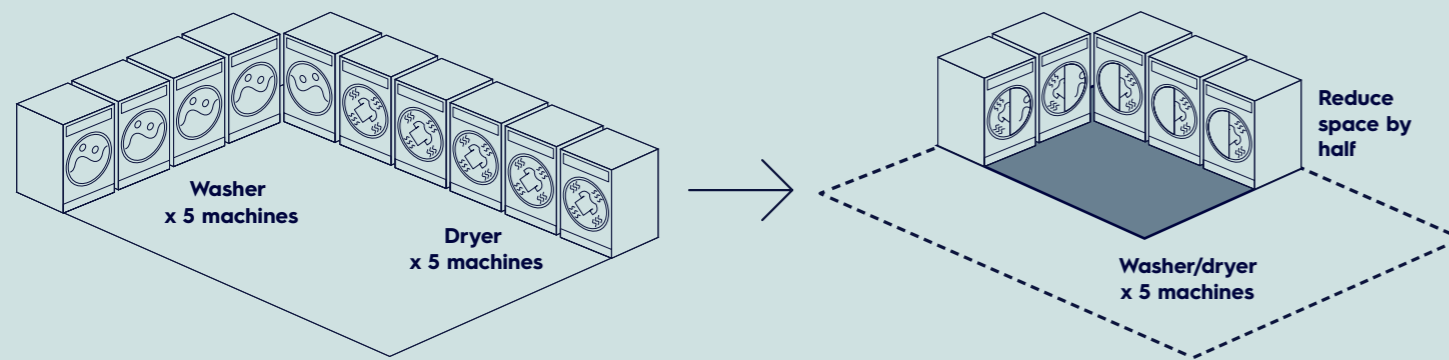

Designed for self-service laundry, offering **short waiting times**, **outstanding results**, and **easy-to-use machines**.

Experience business growth with **low running costs**, a **seamless customer experience**, and **fast turnover**.

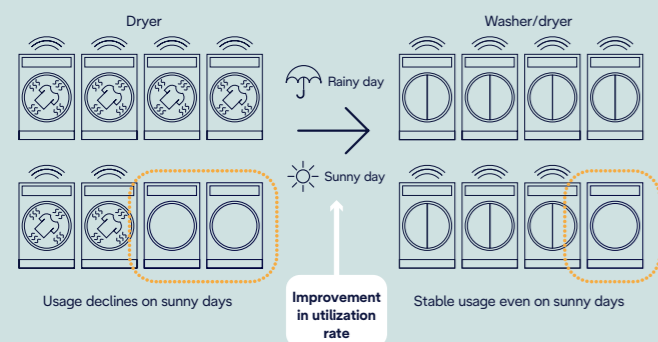

The New Combo Washer & Dryer: Maximize your profits with our space-saving, high-efficiency laundry solution that delivers unmatched convenience.

Integrating a washer and dryer into a single unit ensures stable sales-rain or shine. By combining both washing and drying functions, this innovative machine optimizes space and significantly boosts utilization rates, offering a complete solution in one go.

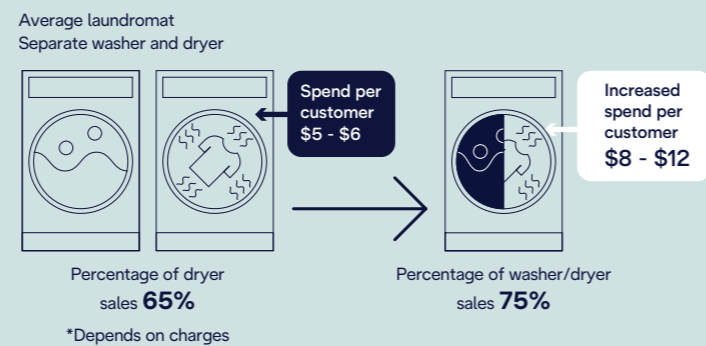

Both washing and drying programs in one machine for maximum space efficiency.

Improve utilization rate - rain or shine.

Save space and increase customer spend - all in one machine.

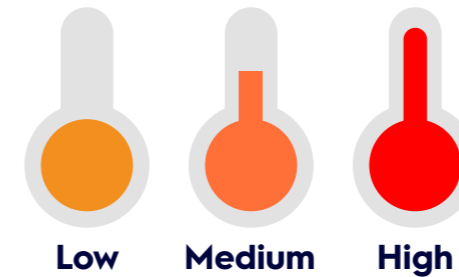

4 MAIN FEATURES

Touch Screen

Easy operation with a hygienic touchscreen interface for a smooth and safe user experience.

3 Levels of Drying Temperature

Customers can select the drying temperature based on fabric type, ensuring optimal care and results.

High Washing Efficiency with Spin Shower Technology

Water is showered from the top of the drum, effectively wetting the laundry with minimal water usage. This unique spin shower wash mechanism enhances washing performance while conserving water.

Customization

Wash	Dry	Hot Water	60min	\$18.00
Wash	Dry	Warm Water	60min	\$16.00
Wash	Dry	Cold Water	60min	\$15.00
Wash Only		27kg	30min	\$9.00
Dry Only		18kg	5min	\$1.00

Owners can easily customize up to 5 course settings to suit their needs.

OTHER FEATURES

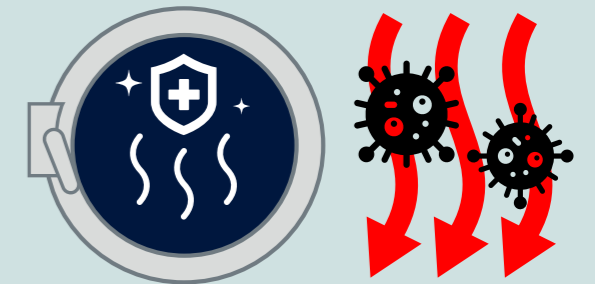

Non-Stop Convenience

Non-Stop Convenience - Non-stop operation allows up to 1 hour of unattended use, optimizing efficiency and time management

Hygienic Dry Care

Integrated hot-air technology ensures a dry drum, free from mold and bacteria.

Small Drum Holes

With drum hole size of 5mm, it helps prevent clogging from buttons or shrinkable fabrics.
