

We ♥ making your life easier with myPRO

The new Smart Professional laundry solution for small businesses. **Just load, start and relax – myPRO works while you work and delivers great laundry results at the touch of a button.**

When it comes to washing mops and cloths for office cleaning, domestic machines can't meet their needs because they often break down due to fluff and gravel. So getting your mops clean enough to pass audits is a challenge.

We perfectly know your needs.

myPRO is a reliable solution you can trust to get top quality laundry results that will be recognized by your customers.

- ▶ **Great results every time** thanks to the unique Electrolux Professional SpeedCare drum
- ▶ **3 times longer lifetime**¹ due to more durable construction with professional components
- ▶ **Higher flexibility**² with professional programs
- ▶ **Warranty** for professional applications
