# Complete your business with our full range of Consumables, Auxiliaries & Accessories

From sleek, stylish and functional laundry pedestals, to inlet hoses and more, laundry time just got easier for all!

**For a successful laundry it is important that also the small things work out as planned**

- ▶ **Auxiliaries and accessories** that will help out with sorting, transporting and other vital functions needed in a well functional laundry
- ▶ **Accessories may be small** but will make it easier and are made for your comfort and to take the complexity out
- ▶ **Spend less time with your appliances** and more time doing what you love

# Consumables

Maintain and improve your product's life by using Electrolux original consumables and accessories. Cleaning products are developed with the same high level of expertise we invest in our professional, white goods and household appliances.

## Super Clean

Keep your washing machine as clean and fresh as new. Constant low temperature washing and the increasing use of liquid detergents (enzyme based) can cause mould and gelatinous dirt to build up in the door seal, pipes and drum. They block up hoses, cause a bad odour in the washing machine and may leave deposits on your laundry.

This kit removes all residuals, leaving all parts of your washing machine perfectly clean and maintaining optimal cleaning conditions.

	Part Number	Content	Price
Super Clean	9029792786	2 treatments (2x5 g + 2x125 g)	

## Descaler – for washing machines

Extra Strong Descaler. Removes limescale to keep your washing machine working like new. The descaler is ideal for hard water areas, as it removes limescale deposits which extends the lifetime of your appliance and prevents the build-up of stale odours. It delivers optimum performance and reduces power consumption: keeping pipes and drum clean ensures the best possible wash results and the minimum electricity usage every cycle.

	Part Number	Weight	Price
Descaler	9029792257	200 g	

## Universal Descaler – for multi-use

Removes limescale to keep your washing machine working like new. It is environmental friendly: removing limescale build-up will reduce the power consumption of your appliance. This easy to use formula is ideal for hard water areas.

	Part Number	Volume	Price
Universal Descaler	9029792984	1 L	

## Steel Care

Stainless steel cream cleaner. Extra-gentle cleaner for all stainless steel surfaces in your household. This product cleans and protects all surfaces without scratching. The no-rinse formula is great for removing stains and finger marks.

	Part Number	Volume	Price
Steel Care	9029792232	250 ml	

## Steel Care

Stainless steel spray cleaner. Fingerprint proof cleaner for all stainless steel surfaces in your household. This product cleans and protects surfaces such as hobs, cooker hoods, stainless steel doors, sinks and fridges without scratching. The no-rinse formula is great for removing stains and finger marks.

	Part Number	Volume	Price
Steel Care	9029792307	250 ml

<b>Water Soluble Bags - Large</b>	432730584	910 x 990 mm 1 roll = 25 bags	

### Washing bag for delicates

These bags protect your delicates during the washing cycle. Avoiding the risk of wear and tear, stains and holes due to the friction of the laundry.

It is also useful to keep small items together, e.g. baby socks and similar.

	Part Number	Dimension	Price
<b>Washing bag for delicates</b>	9029792877	400 x 600 mm + 300 x 400 mm	

## Dryer Balls

The dryer balls use specially designed nodes to physically break down the stiffness created by water drying in fabric, thus softening laundry without the introduction of toxic chemicals.

The two balls have different tensile strengths (one is harder than the other) with different shaped softening nodes. Square nodes compress and soften fabric; round nodes relax fibers to reduce hardness. They work in combination to lift and separate the laundry whilst tumble drying. They also retain the heat and transfer it to the clothes as they tumble, aiding the drying process. For tumble dryers.

	Part Number	Content	Price
Dryer Balls	9029791861	2 pieces	

## Soft Care

These disposable sheets help to soften and scent your laundry, and make it easier to iron. They are easy to use: simply pop a sheet in the dryer with each load. For tumble dryers.

	Part Number	Content	Price
Soft Care	9029793198	30 pieces	

# Auxiliaries

Ergonomic laundry trolleys, garment racks and other equipment that fits into the real estate laundries, laundries, hospitals, nursing homes, hotels, spas, etc.

The helical basket of the TRP2 and TRP4 Super facilitates the loading and unloading of the washer and dryer.

The design also ensures that the trolley will come close to the equipment, so that the laundry does not end up on the floor. Frame in galvanized steel; basket in plastic coated wire.
