# **Range** **Overview**
Hygiene Laundry

Electrolux

Excellent versatility
for immaculate hygiene

Because you can't compromise on cleanliness, we place hygiene top of the agenda. Thanks to best-in-class design and technologies, Electrolux Professional offers cost-efficient and reliable hygiene solutions combined with unparalleled flexibility.

Electrolux Excellence

Excellence is central to everything we do. By anticipating our customers' needs, we strive for Excellence with our people, innovations, solutions and services. Thus making our customers' work and life easier and more profitable.

Washer Extractor Control
ensures the best utility cost optimisation and customising

Clarus Control®
▶ Fully programmable with up to 194 programs for unparalleled versatility
▶ Create new programs directly on the Clarus Control® / Clarus Control® TS panel or on your PC with the Laundry Program Manager, then transfer them to machines via memory card
▶ Intelligent parameters save time, energy and water while delivering excellent wash and rinse results in every application
▶ 8 liquid detergent signals
▶ Process monitoring via Certus Management™ Information System

Clarus Control® TS
▶ Easy-to-use touch screen for Pullman barrier washers
▶ Fully programmable with up to 900 programs
▶ Delayed start with Real-time clock for next-day unloading
▶ Up to 13 liquid detergent signals for correct formula concentrations
▶ Second display option on the clean side for more cycle oversight
▶ Process monitoring via Certus Management™ Information System

Compass Pro®
▶ Flexible and customisable
▶ Up to 55 programs available of which 15 programmable
▶ Large, clear display in up to 18 languages, plus Real-time clock
▶ Process monitoring via Certus Management™ Information System
▶ Create custom Compass Pro® wash programs on your PC with the Laundry Program Manager, then transfer them to machines via USB port
▶ 5 liquid detergent signals for automatic dosing
▶ Automatic Saving System: save up to 50 % on water for half loads

Tumble Dryer Control
ensures the best flexibility and usability

Compass Pro®
▶ Flexible and customisable
▶ Up to 55 programs available of which 15 programmable
▶ Large, clear display in up to 18 languages, plus Real-time clock
▶ Create custom Compass Pro® programs on your PC with the Laundry Program Manager, then transfer them to machines via USB port
▶ Process monitoring via Certus Management™ Information System

Selecta Control®
▶ Accurate temperature/humidity control for quick, efficient drying
▶ Automatic inversion of drum rotation
▶ Automatic cooling cycle reduces creasing and improves finish
▶ 9 programs including exact temperature control and continuous high drying performance throughout the entire electronic cycle
▶ Select drying time, cooling and reverse action
▶ Continuous self-testing, displays and logs error codes for easy troubleshooting
▶ Process monitoring via Certus Management™ Information System

Ironer Control
ensures the best results thanks to process optimisation

Electronic control
▶ Large, intuitive display
▶ Indicator light informs operator if retained humidity after ironing is too high
▶ Ensures optimum dryness and hygiene, plus compliance with risk analysis and bio-contamination quality control
▶ Process monitoring via Certus Management™ Information System
▶ All parameters are assessable via USB connection directly to your computer

Electro-mechanical control
▶ Easy to read and set
▶ Ironing temperature and speed can be adjusted at any time
▶ Autostop function to maximise ironing belt lifetime (standard)

Excellence
with the environment in mind

Electrolux Professional solutions perfectly match the customers' needs, including the areas of reliability, cost efficiency and sustainability. The products are the best in terms of quality – durability with low running costs. Some installations have been running for more than 40 years!

▶ All Electrolux factories are ISO 14001-certified

▶ All Electrolux Professional products are designed for low water, energy and detergent consumption, and for low emissions into the environment

▶ All Electrolux Professional products are ROHS-compliant and over 95 % recyclable

▶ All units are quality tested, piece by piece, and all of the functions are individually checked by expert technicians

▶ In the last five years, more than 70 % of Electrolux Professional solutions have been updated with features that are always designed with the needs of customers and environmental considerations in mind

Discover the Electrolux Excellence and share more of our thinking at www.electrolux.com/professional
