Designathon

HSB Living Lab, Göteborg

Fri 13 Oct (18:00) - Sat 14 Oct (19:00)

User Interaction in Professional Laundry 2020

Imagine and prototype tomorrow's interaction between users and machines in professional laundry. Create new values, faster ways to learn, increased usability and inclusivity.

Competition with nice prizes!

This Designathon is for curious people interested in design and engineering – more diverse backgrounds are very welcome.

Register as an individual or as a team (2 to 5 p. – complete or open to further team members). We encourage you to form interdisciplinary teams.

Online registration and details on
