- In recent years over 70% of our product features have been updated with the environmental needs of our customers in mind
- Our technology is RoHS and REACH compliant and over 95% recyclable
- Our products are 100% quality tested by experts

As easy
as eating
dessert

Bermixer Pro
stick blenders

Bermixer PRO

Easy. Safe. Efficient.

Weighs less than 4 kgs!

Smart Speed Control
Autoregulation of the power, based on the load consistency to ensure a longer life and reduced vibrations

Bayonet locking system
guarantees reliable connection between motor base and tool despite preparation consistency

Heat protected grip
Safe handling thanks to the heat protected grip

Ball bearings
reliable ball bearings for best durability

Bell Knife
limits access to the rotating blade

A lot of reasons to choose Bermixer PRO

Food Safety
Quick and easy disassembly of tube, shaft and blade without tools and dish-washable safe for better sanitation.

Flexibility
the variable speed allows the use with different food recipes.

Air cooling system
permits to work longer without overheating.

International Standards
in line with the highest international safety standards which require limited access to the rotating knife.

Durability guaranteed
thanks to the easily removable blade that can be sharpened or replaced

Supplied with wall support

Bermixer PRO

Working hard for a hard working device

Better performance and longer life is what you will encounter when using the upgraded Bermixer PRO along with all the characteristics which make this product the one and only stick blender.

Food safety
for the consumer - no bacteria inside thanks to fully dismountable tube interior

Insulated,
easy and safe handling, especially with hot stuff

Cleanability of single parts
all removable parts in contact with food are 100% dishwasher safe

Ergonomics
the design and the weight ensure a safe handling

Whisk available as optional accessory, fitting all motor bases
