## Back to the Crisp

SpeedDelight  
Fast has never tasted so good

Electrolux Professional  
High Speed Cooking

All images are for illustrative purposes only.

# Take your business to new levels with our premium professional solution. Add SpeedDelight to your kitchen and enjoy:

### RECORD QUALITY

Be amazed by our ultra-fast **three-way cooking technology**. Your snacks will be **perfectly crispy outside and cooked just right inside in 1 minute**: serve **flawless food** in no time and optimize your precious resources. **Three times faster than a standard press!**

### UNMATCHED SIMPLICITY

With **plug-and-play** installation and a **user-friendly control panel**, this solution requires no ventilation hood and the non-stick plates are **easy to clean**.

### CREATIVE FLEXIBILITY

Panini, burritos, tacos or pizza: what's your speciality? Experiment with the **variety of cooking programs** to give each customer a snack they'll love. **One perfect snack or a hundred:** each one is as good as the last.

## Does your business feel like a juggling act? Get ready for an unparalleled snack experience. SpeedDelight has got you covered:

- ▶ **STAND OUT FROM THE CROWD**  
Delicious, high-quality snacks served fast. Your customers will love them and come back often for more.
- ▶ **MINIMUM EFFORT FOR MAXIMUM PERFORMANCE**  
Complexity is the last thing you need when time is of the essence: keep it simple for you and your staff.
- ▶ **IMPROVE YOUR WORKFLOW**  
Your food needs to be perfect every time, without the guesswork: customers will be confident and your resources will never be wasted.
- ▶ **ENJOY PREMIUM CUSTOMER CARE**  
As a SpeedDelight owner, you'll have access to Electrolux-selected technicians in more than 149 countries. A full range of accessories will keep your SpeedDelight in top form, and spare parts are dispatched in 24-48 hours.
- ▶ **STAY IN SYNC WITH YOUR TEAM**  
Thanks to SpeedDelight's 24/7 smart connection, sharing recipes, programs and performance data with your sister outlets has never been so simple.

# SpeedDelight: the game changer

WHY WAIT?  
MAKE IT YOURS  
TODAY!

Electrolux has listened to business owners like you and combined **advanced technology with the utmost simplicity**, cutting your energy consumption by more than half compared with other solutions using microwaves. **Three cooking methods** to serve **a perfect snack in less than a minute**, safely and easily. The premium solution to amaze your staff and your customers alike.

### TRIPLE PLAY

#### Peerless cooking performance

A combination of 3 cooking technologies: **contact plates, infrared radiation and microwaves**, for **a perfectly even temperature**, outside and in.

### PERFECT SQUEEZE

#### An intelligent press

The upper plate settles with just **the right pressure at the touch of a button**.

### HAS YOUR BACK

#### Worry-free finish

The lid rises **automatically** when your snack is ready. No burning - it's foolproof!

### IDEA MATCHER

#### Inspirational interface

Let your imagination run wild. Easy-to-use cooking options and quick-start buttons for a potentially **unlimited menu**.

### GREEN TECHNOLOGY

Close the cover once you've removed your food and the stand-by notification appears. SpeedDelight will go into **Energy Saving mode** and consume **60% less energy**.

### EASY TO SERVICE

Quick access to inside components **makes maintenance a snap** with an on-site visit from a technician. Safe and practical to use, safe and practical to maintain.

### MONEY-SAVING

**Save up to €500\*** over the course of a year! SpeedDelight consumes half the electricity compared with other solutions using a microwave system.

\*Contact Electrolux Professional for details.

### STREAMLINED AND ERGONOMIC

Quick to set up, no ventilation needed: put it anywhere on your countertop. Smooth edges, stable handles, self-regulating lid and **extra-large display**.

### 24/7 SMART CONNECTION

With SpeedDelight's USB port and wifi capability, you can map performance, follow recipe trends, get personalized statistics, and **stay in sync 24/7 with your chain**. Any warnings or malfunctions are monitored too! The interface is flexible and user-friendly, and works with any mobile device.

All figures regarding speed, energy consumption and monetary savings have been calculated on the basis of tests conducted by the Electrolux Professional R&D Laboratory team.
