

Safe and healthy food for schools

You talk...

Children spend the majority of their day at school and it is our responsibility to make sure they are always safe. Food plays a fundamental role in keeping our youngsters healthy and we need to know the food we feed them is safe. We must provide tasty, nutritious meals that have been prepared hygienically to ensure full compliance with food safety regulations.

...we listen

Whatever your needs, there's the perfect Electrolux solution for your school. Our flexible, reliable, high performance solutions make it easier than ever to prepare delicious, nutritious food and comply with the most rigorous hygiene and food safety standards.

covered

Top class Productivity

Quality and quantity. Easy as ABC!

The simple way to safely create large quantities of different types of quality food, **Electrolux solutions make child's play of producing healthy, delicious dishes.**

80%

of parents worry about the quality and hygiene of the food their children eat at school.

Complete solutions. Our favorite subject

thermaline ProThermetic boiling and braising pans

The flexible pressure cooking range specifically designed for optimum performance in high productivity, heavy duty kitchens.

SkyLine Pro^S

Maximum productivity, energy efficiency and great tasting food. SkyLine solutions are the perfect way to make better use of your resources and reduce food waste.

TRS vegetable slicers

The best way to preserve the vitamin and mineral content of vegetables? Use them fresh, not pre-cut. TRS vegetable slicers are perfect for high productivity quality kitchens.

Applied Ergonomics

Effortless and easy to use solutions, ergonomically designed to be used all day, every day.

Electrolux takes the stress out of kitchens, preparing high volumes of food meaning tasty, appetizing dishes can be prepared quickly and safely.

We apply ergonomic principles to all our solutions so operators can work quickly and efficiently and without straining when handling heavy loads.

Designed around you

Electrolux solutions have **easy-to-use intuitive interfaces, pre-set programs, multiple language options and guided troubleshooting.** Perfect for every operator even with minimal training.

Grow your savings

Save on running costs and time, Electrolux solutions are intelligently engineered to give maximum return on your investment.

Save today and tomorrow. Lower running costs and outstanding durability, that's the Electrolux promise.

Smart savings
and sustainably built

Cleaner, greener
and smarter

Minimize spending.
Minimize waste

Healthy eating. Happier living

Electrolux is committed to making everyday life better for everyone, now and in the future. Our focus on sustainability means that our solutions benefit the environment while offering a great payback on your investment.

We actively work to encourage healthy eating habits by helping kitchen professionals prepare delicious, nutritious food for nurseries, elementary schools, high schools and colleges the world over while saving on running costs and food waste.

Make it healthy

It's vital that the food we feed children and young students looks great, tastes delicious and maintains all its nutritional characteristics. Our range of solutions make it simpler than ever to offer healthy, appetizing meals.

Food safety is key

That is why Electrolux Professional solutions are designed for extraordinarily easy cleaning and sanitization. They also make it simple to comply with food safety standards and HACCP.

Did you know that...

The Electrolux Food Foundation has supported the development of a useful toolkit for schools to teach children about sustainable eating in collaboration with WorldChefs and AIESEC.

Built for the future

Robust, reliable,
really easy to use

Electrolux solutions are solidly built, to give robust long-lasting performance year after year.

Designed for fast and simple maintenance, Electrolux solutions guarantee outstanding efficiency over time and make life easier and work more enjoyable for all operators.

**Guaranteed performance.
Certified quality**

We pass every test

Electrolux goes beyond standard compulsory testing* to ensure that their solutions guarantee consistent high-performance for intensive daily use, even in the heaviest duty environments.

*Using a wide range of measurement and test equipment calibrated according to ISO/IEC 17025.

Find your Flexibility

Top marks in Versatility

Just one machine, multiple cooking techniques.

Sear, braise, shallow fry, poach, boil, sous vide and steam your food, **thermaline Prothermetic pressure braising pans** are based on standard GN trays for seamless handling and maximize your efficiency with overnight cooking.

Make more, waste less

Choosing Electrolux **Cook&Chill** solutions, food keeps all its essential characteristics: appearance, consistency, flavor, aroma and nutritional value.

Quality and taste can be consistently repeated, offering students healthy and tasty food, day after day.

The OnE effect

A unique partner. A world of benefits.

Electrolux **OnE** is an advanced digital platform with cloud connectivity that you can access via an app on any smart device.
